Overtime

There will be no overtime. Ties will stand. In the case of a tie the home team shall enter the score.

Scoresheets

Entering the Game Scores

The winning team will enter the results of the game on the CMBA website, immediately upon Conclusion of that team's games for the day. In the case of a tie the home team shall enter the score.

Games times will have tight scheduling turnaround between games. Everyone needs to cooperate to ensure we keep things running on time. Things you can do to help:

The HomeTeam will have score sheets filled out ahead of time. If pressed be sure to get all player numbers listed, and have a printed roster with numbers so scorekeeper may finish filling it in.

Have teams store bags etc. somewhere other than behind the bench (with a parent/parents) this will allow teams to clear the benches faster.

If in a facility with more than one gym, move quickly to the next court/gym for your next game. Coaches will have teams dressed and ready to go. Warm ups (if any) will be quick. Be organized.
