

Effective September 20th, 2021, Huntington Hills Community Association (HHCA) will be participating fully in the Government of Alberta's Restrictions Exemption Program as an additional measure to keep our officials and participants safe, as well as to keep our facility operational.

As a result, HHCA is requiring all officials and participants to provide a statement with respect to their COVID-19 vaccination status.

If they are not vaccinated (or exempt) they can not officiate or play.

All participants must be prepared to provide one of the following:

Proof of vaccination;

- Fully vaccinated (two doses complete).
- Partially vaccinated (one dose) a minimum of two weeks before the first scheduled game and a second dose no later than October 25, 2021.
- Proof of a privately-paid negative PCR or rapid test within 72 hours of a scheduled game (tests from AHS or Alberta Precision Laboratories not allowed); or
- Documentation of a medical exemption.

IMPORTANT - Keep a copy of your vaccine records on you AT ALL times. Whether that is a hard copy of your paper forms or saved as a photo on your smartphone. AHS will be performing audits without notice.

Thank you to everyone for doing their part, and please let us know if you have any questions.
