

September 17, 2021: Restriction Exemption Program

As many of you know, the Government of Alberta unveiled new Covid-19 restrictions on September 15 that will affect our operations. In order to remain open for our patrons, the *Mid-Sun Community Association will implement the Restriction Exemption Program effective Monday, September 20, 2021*. We kindly ask that all patrons visiting us at the Centre **show one of the following to the Front Office Staff upon entering**:

- proof of vaccination, paper or digital format accepted (Sept 20 – Oct 25: proof of a single dose is considered acceptable as long as the dose was given more than 2 weeks before the time of service. After Oct 25: proof of double vaccination is required).
- documentation of medical exemption
- proof of negative PCR or rapid test within 72 hours of visit

Until we find an acceptable solution that will permit our staff to notate that we have seen a patron's proof of vaccination, we ask that patrons bring proof of vaccination for every visit.

We will support *full refunds* for those who cannot meet the above requirements. Please do not hesitate to contact our staff at 403-254-8058 or info@midsun.org to make a refund request. If our phone line is busy, please leave us a message and we will get back to you.

These measures will be in place for the foreseeable future, and we thank you for your patience as we transition over the next few weeks. We remain dedicated to offering our facility and services to our patrons and hope we can keep moving forward with respect and kindness. We will not tolerate any form of harassment towards our staff. These decisions are not up to them, but they have the job of ensuring that the rules are followed.

If you have any questions or wish further clarification, please email manager@midsun.org.
