

Todd Jones:

This will be Todd's 24th year as a coach and his tenth year with the Calgary Northstars. While Todd has achieved success at every level of coaching, his most recent accolade is leading his teams to back to back City Championships as well as the most recent receipt of the Coach of the Year award from the Northstars organization. His goal is to use this program to develop athletes into good citizens, as well as talented hockey players. This is reflected in his motto "*Respect, Family, School, and Hockey.*" He brings skill and dedication to the rink and is constantly challenging his players to work hard while having fun. When he isn't at the rink he enjoys spending time with his friends and family, including his young grandson.
