* The players age is determined by the player's age as of December 31st of the current season

**** Returning Members save \$50 for Early Bird Registration before August 1st!**

Things to note:

- 1) Returning members register before August 1st get a \$50 early bird discount!
- 2) VIAHA has changed the requirements for the Parent Respect in Sport Program – [click here for more information](#). As of March 31st, 2023 the 'Team Official/Volunteer' Version of Respect in Sport will no longer be accepted as a replacement to the requirements originally implemented in 2015 for one Parent to complete the Respect in Sport course prior to player registration.

Any parents that have already taken the Parent Version of RIS previously in hockey or with any other group (and have successfully credited their child's Hockey Canada Registry Profile) will not need to do anything to meet this requirement.

However, all players registering for the 2023-2024 season will need to be credited with the Parent Version. The Parent Version is significantly different to the Volunteer Version and provides specific information valuable to sports parents. If you currently have the Team Official/ Coaching version of Respect in Sport Program, we encourage you to take the Parent Respect in Sport Program this season (prior to the VIAHA deadline) as this version does not expire.

- 3) Registration is under the same online platform as last year, the new HCR 3.0 "Spordle" accounts. Remember to link all of your family members to your spordle account. If you need help, there are tutorials on the left hand side of the registration page.

Rep Try Outs

Should you want to try out for the Tyee Rep Teams, please select the appropriate registration package for your division – "Rep Tryouts" (ie U15 TYEE - Rep Tryouts). Your registration will include the Rep Try Out fee (\$100).

Mini Hockey School

Don't forget about Mini Hockey school if you want to get a jumpstart and onto the ice before the season starts! This is additional ice and includes 4 sessions August 29th to September 1st and costs \$80. During the registration process, you will be able to add this under "optional items"

FUNDING

The initial registration payment must be made at the time of registration. However should you need assistance with your hockey fees, there are a number of excellent grant programs to assist with registration costs and we encourage application to any of them. Please email a confirmation of your application to info@crmha.ca at which time we will cancel your remaining installment payments until November 1st to allow for receipt of funding.
