

Create a new HCR 3.0 Spordle Account & Linking Self and Family Members

Effective the 2021-2022 Season, there is a new version of the Hockey Canada Registry (HCR 2.0), called HCR 3.0 Spordle. HCR 3.0 replaces the following platforms:

- e-Hockey
- HCR Online Registration
- Hockey Canada Registry

All activity and information that was previously created and used within these platforms now reside within HCR 3.0. As a result, three user logins are now combined into one.

You will have created a new Spordle account when registering your child. However if you still need to create one, please review the following steps to help you create a new HCR 3.0 Spordle Account.

You can link yourself and your family members (coaches, managers, safety) all to the same account. Instructions to link family members starts at **Step 7.**

Step 1: Visit the [Hockey Canada 3.0 Spordle Log-In Page](#). As a first-time user, click “Sign Up”.
