

CAMPBELL RIVER MINOR HOCKEY MIDGET TYEES PREP PROGRAM

May 8, 2019

OVERVIEW

1. Background

i *Campbell River Minor Hockey Executive wants to rebuild the Midget Rep Program to be the Flagship of our Association.*

Presently the trend is for competitive players to relocate to other communities to participate in hockey programs or academies. These programs not only separate players from their families but are also expensive. The motivation to do this is the belief these programs will provide better exposure and development opportunities for players.

"We had our kids to raise them" – Dennis Bellevance CRMHA Lifetime Member

CRMHA believes we can provide high quality player development opportunities at reasonable costs whilst keeping our players at home with their families.

2. Program Scope

i *Stay home to play hockey; Develop the person and the hockey player.*

CRMHA proposes introducing the Midget Tyees Prep Program for the 2019-20 Season.

The intent of the Midget Tyees Prep Program is to enhance the current Midget Rep Program by:

- Reestablish the "**Tyees Culture**" as the Flagship team of our association collaborating and affiliating with CRMHA Teams, Executive and Committees;
- Creating an environment that develops players physically, psychologically, and socially on and off the ice.
- Offering development and education opportunities for coaches and parents;
- Establishing, renewing and improving relationships with Hockey Canada, BC Hockey, VIAHA, VIJHL, SD 72, local businesses and community organizations;
- Foster the program to be a suitable partner to host a BC Hockey Midget AA Zone team at some point in the future;

3. Requirements

- Participation in the Island League T2
- Three Team on-ice practice times per week (minimum of three hours)
- Working with CRMHA Skills Coach: Team practice times and CRMHA Skill Sessions (Team, Position Specific Sessions (goalies, defence forwards) which are addition to team practices
