October 2025

Dear Potential Sponsor,

Camrose Minor Ball Association is an established not-for-profit organization, home to many growing and flourishing young baseball players. We offer extensive baseball experience and opportunities for hundreds of kids within the City of Camrose and its surrounding areas. We offer programs for ages 4yrs (Rally Cap) up to 18yrs at the community sport level and competitive AA level and we want to ensure that every child who wants to learn and play the sport of baseball has the chance to. The Camrose Cougars AA level baseball teams have a history of successful seasons as provincial champions and medal winners at the Western Canadian Championships. Many of our alumni players have had the privilege of representing our community at National Championships, earned Team Alberta selections and had the opportunity to pursue their baseball careers at post-secondary institutions across Canada and the United States. Having a successful sponsorship program means that we are able to keep program pricing affordable for families in our community and bring this opportunity to a wider group of children.

Every season CMBA has various pieces of equipment and jerseys that need to be either maintained or regularly replaced, and facilities which are also in need of upgrading or replacement. Just for example, a single season of programming for CMBA requires \$10K worth of baseballs. As such, we have various sponsorship opportunities available for organizations like you, who would be willing to help us with some of the added expenses that our association programs incur.

With any sponsorship offered, there are different ways in which our organization would like to recognize your assistance. A logo on team apparel, a banner on one of our buildings or facilities, a travelling team banner to be put up at every game or recognition on our website/social media are some of the possibilities.

Our assiduous dedication, along with support from organizations like yours, ensure that we can continue to grow and thrive as an association and provide a successful baseball program in our community as well as promote lifelong physical activity in our youth, for seasons to come. We are proud to be a part of the Camrose Minor Ball Association and we look forward to building a solid and continued partnership with you.

Best Regards,

CMBA President – Kyle Anderson

We thank you for your generous support!
