Dear Community Business,

Camrose Minor Ball Association is an established not-for-profit organization who offers an extensive baseball experience to hundreds of kids within the City of Camrose and its surrounding areas. We offer programs from ages 5yrs (Rally Cap) up to 18yrs, and we want to ensure that every child who wants to learn and play the sport of baseball, has the chance to.

As such, we have various sponsorship opportunities available for organizations like you, who would be willing to help us with some of the added expenses that our association programs incur. For example, we have various equipment, jerseys, and baseballs that need to be either maintained or regularly replaced, and facilities which are also in need of upgrading or replacement.

With any sponsorship offered, there are different ways in which our organization would like to recognize your assistance. A logo on team apparel, a banner on one of our buildings or facilities, a travelling team banner to be put up at every game, recognition on our website.

Our commitment and efforts, along with support from organizations like yours, ensure that we can continue to grow as an association and provide a positive and successful baseball program in our community, for seasons to come. We are proud to be a part of the Camrose Minor Ball Association and we look forward to building a solid and continued partnership with you.

Best Regards,

CMBA President – Ryan Foss

We thank you for your generous support!
