SACRED GAME

By: Charles Daniel Sam

Sacred Game is the fourth (2002) in a series of limited edition prints produced by the Canadian Lacrosse Foundation to honour the game of Lacrosse and one of its greatest coaches and builders – the late Jim Bishop.

This painting was created by **Charles Daniel Sam**.

The Eagle represents how universal the sport has become. The Eagle is a symbol that is easily recognized all across Canada, as well as the world.

The Human Spirit in the body of the Eagle represents the ancestor's whom the game of lacrosse originated from. The Human in the tail represents the people

who play the game today. The open hands in him represent that the game is played openly and honestly.

The four Lacrosse Sticks represent the four directions the game has traveled and the four races of people who play the game today.
