

Canmore Minor Hockey Association

2021-2022 Season

Female Hockey Programs

The Female program is a competitive hockey program for interested female players in U11, U13, U15 and U18. There are two practices a week**, held in Canmore and Banff. Games are normally played once or twice a weekend, for a total of twenty four (24) home and away games. This does not include exhibition games or tournaments. Game play is non-contact. Due to possible changing league circumstances, registered players may play in the female side of the CAHL, or the RMFHL. Players may be placed either in an age group older or younger based on skill level and/or player numbers.

Female programs include a power skating session one morning a week, included in the program fee.

Female Program Fees 2021-22

Level	June 1-July 31	After July 31	Subsequent Child
U11	\$940	\$1040	\$840
U13	\$970	\$1070	\$870
U15	\$970	\$1070	\$870
U18	\$1020	\$1120	\$920

***The practice and game amounts listed above are approximate and are subject to change at the discretion of the CMHA Board. Practices may be rescheduled due to holidays, facility closures and Eagles Junior A home games. Some practices will take place in the mornings and some practices may occur on the Banff Ice. Please also note, the number of Female teams depends on the number registered in the program.*

CMHA Season Schedule Information

The season for CAHL, RHL, U9 and Female Leagues begins in September 2021 while the U7 Programs begin in early October. The season will conclude in March 2022 for all the programs.

The season schedule cannot be released until teams are determined and the Town of Canmore and Banff allocate ice to CMHA. No team shall receive ice time for exhibition games or practices after March 1, 2022, except for in the following circumstances:

- Teams that are still engaged in their regular season games or in play-off games after March 1, 2022, will receive their regular allotment of practices until their regular season/play-off season ends. All practices and league games (regular and playoff) will be paid for by the Association.
- Teams that are still engaged in Provincial games after March 1, 2022, will receive their regular allotment of practices until they are no longer participating in Provincials.
- Teams wishing to have more practice times than those allocated above or teams wishing to host an exhibition game, may purchase ice time for games or practices through the ice coordinator, if ice is available.
