

# Canmore Minor Hockey Association

## 2023-2024 Season

### Female Hockey Programs

The Female program is a competitive hockey program for interested female players in U11-U18. There are two practices a week\*\*, held in Canmore and Banff. Games are normally played in the RMFHL (Rocky Mountain Female Hockey League) once or twice a weekend, for a total of twenty-four (24) home and away games. Game play is non-contact. **Full Attendance is expected on all RMFHL teams.** Attendance will be documented, and at the coach's discretion, players with poor attendance may be subject to team leadership-based discipline for portions of games or full games. CMHA has the right to remove any player outright from the roster or redistribute the player to another league for attendance and/or other disciplinary issues. **Due to possible changing league circumstances, registered players may be transitioned to other co-ed leagues.** Players may be placed either in an age group older or younger based on skill level and/or registration numbers.

Female programs include a power skating session one morning a week, included in the program fee.

### Female Program Fees 2023-24

| Level | June 1-June 30th | After Evals - Due Oct 31st | Total Fees | Subsequent Child |
|-------|------------------|----------------------------|------------|------------------|
| U11   | \$640            | \$300                      | \$940      | \$840            |
| U13   | \$710            | \$260                      | \$970      | \$870            |
| U15   | \$710            | \$260                      | \$970      | \$870            |
| U18   | \$770            | \$250                      | \$1020     | \$920            |

*\*\*The practice and game amounts listed above are approximate and are subject to change at the discretion of the CMHA Board. Practices may be cancelled/rescheduled due to holidays, facility closures and Eagles Junior A home games. Some practices will take place in the mornings and some practices may occur on the Banff Ice. Please also note, the number of Female teams depends on the number registered in the program.*

## **CMHA Season Schedule Information**

The season for REP/CAHL, RHL, U9 and RMFHL begins in September 2023 while the U7 Programs begin in early October. The season will conclude in March 2024 for all the programs.

**The season schedule cannot be released until teams are determined** and the Town of Canmore and Banff allocate ice to CMHA. No team shall receive ice time for exhibition games or practices after March 1, 2024, except for in the following circumstances:

- Teams that are still engaged in their regular season games or in play-off games after March 1, 2024, will receive their regular allotment of practices until their regular season/play-off season ends. All practices and league games (regular and playoff) will be paid for by the Association.
- Teams that are still engaged in Provincial games after March 1, 2024, will receive their regular allotment of practices until they are no longer participating in Provincials.
- Teams wishing to have more practice times than those allocated above or teams wishing to host an exhibition game, may purchase ice time for games or practices through the ice coordinator, if ice is available.
