## RAMP Officials Login /Game Assignment

Officials Account: https://www.rampinteractive.com/assigningv2/login?v2=a3951b0c\_

There are three places where a referee will need/want to login to the RAMP system; Officials account, assigning app, and the Gamesheet App.

All officials should at this point have access to their officials account. This is where you can add your available days/times, accept or decline your assignments, view a record of your games, and retrieve your "officials code" to be used in the gamesheets app.

1. Log into your account by going to the link above, enter your username and password in the spaces provided. If this is your first time using this link, please create yourself, or your child, an account. Make sure to use an email address that is checked frequently.
