From: CKBC Office

Re: CKBC Staffing Announcements

Attention All CKBC Member Clubs:

We are very pleased to announce a new member to the CKBC Staff.

Stanislav Marek

Stan will be joining CKBC as Technical Director and will work with our Board and Staff and take over the technical leadership and direction of our paddling programs from grass roots to high performance and everything in between. He joins us after 10 years with the Kamloops Canoe and Kayak Club where he had a hand in building the club to where it is today, one of our Province's most renowned clubs.

Stan comes to CKBC with impeccable education and experience, holding a Masters Degree in Physical Education and Coaching, and a Doctorate in Kinanthropology. Previous to Kamloops Canoe and Kayak he worked in the Czech Republic, Taiwan, and Cyprus in various roles.

"I am excited for this opportunity and challenge in a new chapter of my career. Now that we have hopefully seen the last of COVID-19 the time is right for us to take Canoe and Kayak in British Columbia to new heights and I am excited to have been chosen to be a part of it. I'd like to thank CKBC for the opportunity and Kamloops Canoe and Kayak for the 10 great years. Kamloops will always be my Canadian home club".

Stan will begin in the role part time beginning December 1st assisting with leadership and planning, while transitioning into the role full time in the Spring of 2023.

Regards,

Board of Directors/Staff CKBC
