

Jerry Mydonick Memorial Award

Heart and Hustle Award

Jerry was a long standing supporter of Canora Minor Hockey and passed away in 2022. CMH executive and members would like to thank Jerry and the Mydonick family for their love of hockey and support over the years. We would also like to thank those that have made donations in Jerry's memory to Canora Minor Hockey. Jerry is remembered for his love of hockey and notably by his family and other spectators for encouraging players to "hustle".

The Jerry Mydonick Memorial Award will be given annually to one player from each Canora Minor Hockey team, as well as one volunteer from within Canora Minor Hockey that exemplifies the following traits:

- this person has an ongoing love of hockey
- this person is a great team member; they are positive towards players, coaching staff, other teams, and officials
- players who receive this award are coachable and strive to be their best both on and off the ice
- this person is committed to hockey as a sport and works to stay active and engaged in the organization
