Announcer and Scoresheet Worker:

Once the scoresheet information is entered you can use the microphone to announce the information for the spectators.

Throughout the game help the Clock worker to ensure info is correct on the board.

Recommended intro at beginning of the game:

“Welcome to the Canora Civic Centre. Today’s game features our home team – the CANORA COBRAS and the _____.

We would like to thank you all for coming and supporting our Canora Minor Hockey Association. Be sure to get your hot cup of coffee at the canteen and your 50/50 tickets from the front door workers. The profits of the 50/50 help to pay for our Refs and ice time. We appreciate your support. We would also like to thank our Referees and Linesmen for being here tonight. Enjoy the game!”

Throughout the game, you can announce the goals scored and penalties received by player numbers.

You will also be expected to announce the 50/50 winners name. Try to give a warning such as “We will be announcing the 50/50 number shortly. Please have your tickets ready”

At the end of the game, ensure that the scoresheet has been signed by both sides coaches, all the referee and linesmen and yourself. Once signed, you can give the yellow copy to the Visiting team and the remaining book to the Home Team Manager.

THE SCORESHEET MUST BE LEDGIBLE
