

House League – 2025 Report

CBS Baseball proudly hosted **227 players** across **five age divisions** in 2025, marking another successful year of community-driven baseball.

Age	Number
6U	49
9U	84
11U	46
13U	32
15U	16

Thoughts on the year

6U & 9U Divisions

- Both divisions played entirely within CBS Baseball.
- The 9U group was split into two teams: Bo and Vlad, allowing for more focused play and development.
- Challenges arose due to lower-than-expected registration, largely from pre-season withdrawals.
- Attempts to integrate 8U players into 9U to boost numbers were explored but ultimately not feasible.
- All players in 9U and below received medals in recognition of their participation and effort

11U – 15U Divisions

- These divisions participated in interlocking schedules:
 - 11U partnered with Paradise.
 - 13U & 15U played with teams from other associations.
- The season faced disruptions due to wildfires, which led to a delayed playoff schedule extending into late September.
- Despite the challenges:
 - Both CBS 11U teams reached the house league final.
 - CBS Grey advanced to the 13U interlocking final.

- The 15U team had a strong and enjoyable season.
- Medals were awarded only to teams reaching their championship games in these older divisions.

CBS Baseball extends a heartfelt thank you to all players, coaches, volunteers, and families who made the 2025 season memorable. Here's to building on this momentum in 2026!
