President's Message

At the CBS Soccer Club, our mission is simple: make soccer a game for everyone.

We're proud to offer a club environment that is open, inclusive, and welcoming to all; no matter who you are, where you're from, or what your abilities may be. Soccer brings people together, and we believe everyone deserves the chance to be part of the game.

Creating a sense of belonging is at the heart of what we do. We're committed to building a safe and supportive space where each person is treated with respect and dignity. There's no room in our club for discrimination, exclusion, or harassment; only for teamwork, encouragement, and understanding.

We recognize that true inclusivity means meeting people where they are. Whether someone needs physical accommodations, sensory support, or simply a little extra help getting started, we are here to make sure every player has the opportunity to participate fully and confidently.

This is an ongoing journey. We are always learning, listening, and evolving, guided by the voices of our members and even further, our community. We welcome your feedback and ideas, and we remain open to growth as we work together to create a more equitable and inclusive soccer experience.

At CBS Soccer, we don't just play the game; we are shaping a community, even more a family. A place where diversity is celebrated, inclusion is intentional, and every individual feels they belong.

Sincerely,

Iain Hollett
President
