Teams and Clubs shall not recruit players within the recruitment zone of another Club. The act of “actively recruiting” players shall include, but not necessarily be limited to, making the initial contact with a prospective player who resides within another Club’s recruitment zone, or making subsequent unsolicited contact with a prospective player who resides within another Club’s recruitment zone. See CDMFA Player Recruitment – Tampering Policy

3. PLAYER ELIGIBILITY

NOTE: Age divisions and naming format to be reviewed to align with LTAD for 2024-25 programming.

- 3.4. Age
 - 3.4.1. Any individual meeting age requirements, regardless of weight, is eligible to play any position within their age division of the CDMFA.

Example: A home-schooled player who is listed as Grade 9, but is enrolled in more than ten credits of grade 10, or "dash 10" level courses would be considered a Grade 10 student.
 - 3.4.5. Residence
 - 3.4.5.1. It is expected that players will register with and play for the club in their designated zone.
 - 3.4.5.2. As per the Recruitment Zone and Boundary policy, a player's primary residence determines their assigned or designated zone.
 - 3.4.5.2.1. See Item 4 for clarifying statements for each program.
 - 3.4.5.2.2. If an existing player's primary residence changes and they wish to move to the club in the designated zone of their new residence, they must complete a Transfer Request. (Refer to CDMFA Transfer Policy).
