

2021 Minor Football Membership & Insurance

Football Alberta is allowing organizations to resume football activities as long as you adhere to the Return to Play regulations outlined in our Football Re-Opening Guidelines.

For the 2021 Season membership invoicing and collection will be completed differently as we are still uncertain what the season will look like and how participant registration will go. However, you still require membership and insurance to resume team activities. Our insurance provider has endorsed our Return to Play Guidelines and will provide insurance to all Football Alberta members who are registered with our office.

Our insurance coverage/cost does not change based on practices or games and covers an entire 12-month period. **Players must be registered with your League Administrator before any team activities can resume and payment must be made 30 days after starting.**

Steps to Being Registered, Insured & Cleared to Play

1. Update your team roster through your League Administrator. Football Alberta requires roster updates before any team activities.
2. Payment deposit made within 30 days of the Return of Football. Based on approximately half of your roster.
3. Football Alberta waiver signed by all players and staff (team keep your waivers).
4. Final Invoices will be sent following the roster deadline.
