Building “Fun”draining Resources for All our Clubs

The CDMFA Board is in the process of gathering information on all fundraisers clubs are using, past and present. These can be big or small, for the full club or for individual teams.

The purpose of gathering this information is to create a Fundraising Reference guide that will be posted to the webpage for clubs then to refer to when looking for ideas.

We all know how important it is to raise money to help with all the various costs of this sport. By creating this reference guide, we can pool our collective knowledge together to help one another!

When gathering your clubs list, please include these points-

What works and why did it work?

What didn't work and why did it not succeed?

Does it take a lot of volunteers to run?

Is it cost effective?

Volunteering goes hand in hand with many of our clubs' fundraisers.

How do you sign up your parents?

Do you use a volunteer platform or just keep a paper list?

Lastly, does your club rely on sponsors and if so, do you have a sponsor package that you can share?

Please send all information to Chantell at cdmfafotball@gmail.com.

If you have any questions or concerns, please don't hesitate to call, or text me at 780-236-4871
