President - season will start right away, remember to have a managers meeting. Will be looking at the overage/underage players. Make sure you let your coaches know that it is fair play for all and to treat everyone with respect. We want the kids to have fun and play the sport.

Executive Director - if everyone could have a copy of the game times in their time box, and remember that if there is a 6 goal difference its run time and returns to stop time at a 4 goal difference. NO ONE under 18 to be in the time box, and have 2 from the home team and 2 from the away team in the box. Game sheets must be in 24 hours after the end time of the game, and scanned in NO picture, there are fines in place if not done correctly. Need to get in the head coach with their full name, email, and phone number and all other coaches on the bench.
