1. Attendance and Welcome Kim (CALL President), Ang (CALL ED), Evelyn (CALL VP admin), Blake (VP Finance), Nathan (RIC), Christina (Blackfalds), Michelle (Chargers), Annie (Chargers), Dean (Chargers), Jaclyn (Chargers), Matt (Hanna), Alexis (Innisfail), Dani (Lacoka), Joe (Olds), Jessica (Red Deer), Jordan (Stettler), JP (Sylvan), regrets Ruckus and welcome at 7:42pm
2. Agenda Evelyn motions to accept it as amended (under new business U7 score sheets), seconded by Christina and carried.
3. Previous Minutes motioned by Michelle, seconded by Matt and carried. (Still not a big push for refs)
4. Reports

President – Kim – Some U9 games were not put in arbiter has been fixed. Refs are still in low numbers. DO NOT mark the OA and UA players on the rosters as they have been approved through all. Remind all to follow regulation 11 for affiliates to other teams. Have received many emails from upset people to remind everyone that there is a 24-hour cool down rule before sending in anything. We want to keep sticks in the hands of the players all OA players are being tracked. Managers have not been reading the manager binder, the phrase “CLEAR THE HOUSE” NEEDS TO STOP, please send out the cross checking in lacrosse to all. **Action** Ensure that the game sheets are filled out correctly, they must be a scan NOT a photo and all the information is on the score sheet.

Executive Director – Ang – the request for oversized rosters must be sent in ASAP.

VP of Administration – Evelyn – nothing to report.

VP of Finance – Blake – see the attached financials. The ALRA will be needing a 50% deposit on the final invoice. For playoffs what are we wanting to do for medals, they cost about \$6 each. Last year we over bought bronze medals so we will have enough for this season.

RIC – Nathan – there are 73 refs in CALL we had 65 from last season. A breakdown of the levels of refs are as follows: entry level - 25, level 1 – 22, level 2 – 4, level 3 – 5 and level 4 – 12. One main question that is asked is about helmets on or off in between periods, if the refs have the ball in their hands the helmets can come off for a rest. Having trouble getting the games into the template to upload to arbiter Ang will help out here due to the amount of game changes being done.

Discipline – Travis – lots of letters have gone out in the 2 weeks since the season started. Please remember to talk to the repeat offenders to ensure they understand what the infraction is.

5. Club Reports

Blackfalds – a good start to the season and watching the warning letters.

Chargers – good start with some growing pains, the Stingers did help with the evaluations. The game times were confusing at the start as they changed and not sure if all were on the same page. Thank you to Kim, Ang and Travis for their help at the start of the season.

Hanna – the younger ones are enjoying it and remind the parents that the phrase “take his number” is not accepted.

Innisfail – off to a good start, lots of politics on the board. The U17 discipline issues have been dealt with. Glad the Mavericks have come in to help.

Lacoka – has 2 U9 teams excited. Getting lots of feedback on the game times. All the discipline information will be monitored.

Olds – going good.

Red Deer – a good start

Ruckus – went from low numbers to fielding 3 full teams.

Stettler – going good

Sylvan – nothing to report

6. New Business

Provincials – Will have a meeting on April 22 on ZOOM at 7:30pm for anyone to attend, please send your email to Ang to get the invite.

U7 Scoresheets – they need to be filled out with the location, date, start time and end time of the game, rosters with the coaches' names.

Joe motions for a trail of a photocopied scoresheet of the U7 division in Blackfalds on April 28 for the fun fest, seconded by Matt and carried. Evelyn will ensure the copied scoresheets are there.

7. Old Business
