

TEAM SPONSORSHIP MEMO

Sponsorship Memo:

There has been some confusion around how Chilliwack Minor Hockey will be interacting with your teamlevel sponsors rolling forward. Many sponsors are family/friend-owned businesses simply wanting to support someone they care about. There is concern that as a sponsor they won't be able to direct the funds as they wish. This is not the case!

The common team sponsor opportunities (e.g team gear sponsor) that parents, coaches, and managers work to get for their teams operate as they always have. The difference this year is that Chilliwack Minor Hockey is simply keeping a record of team sponsors in order to increase accountability and explore deeper partnerships that will benefit players and sponsors. We also need to know who is being approached to avoid double-asks. Team sponsorship can be done with a cheque to the team.

Some teams will be uncertain of what opportunities they can offer a sponsor. We are happy to partner with them in their approaches to sponsors. See below for some suggestions that help the team, the association, and the sponsor get great value out of each dollar.

The Chilliwack Minor Hockey Association can offer exposure that a single team can't. Over 2000 people (players, parents, extended family, and friends) interact with Chilliwack Minor Hockey weekly.

While securing team sponsors helps keep your team fees down this year, association-level sponsorship reaches into the future. Questions/comments? Please email publicrelations@chilliwackminorhockey.com or call/text Darrell Bedford at 778-828-2719

Chilliwack Minor Hockey Title Sponsor Options

(full support goes to association)

Title Sponsorship opportunities are seperate from team sponsorship. They are at the association level, in the past this has included jersey bars, initiation boards, tournament naming rights.

A title sponsorship example would be the Gold, Silver, and Bronze sponsorship packages outlined in the brochure seen here or other packages available through the Public Relations director. These are ideal for businesses looking to drive sales through targeted local marketing.
