Dear Potential Sponsor

On behalf of the Clairmont Minor Hockey Association, we would like to invite you to consider sponsoring our Hockey Club. We are currently seeking sponsors for our 2023/2024 Winter Hockey Season.

Our Organization would not be able to provide such a successful hockey program to the youth in our community without the generous support of our community business's and team sponsors. Through coaching and training we will develop young hockey players with improved game knowledge and hockey sense, while building life long friendships and allowing the kids to have fun.

Your sponsorship will go directly to developing our young hockey players, not only physically, but mentally and socially. Part of their growth involves practices, exhibition games, tournaments and team building activities. With the high cost of ice time, referees, tournament fees, and player development fees this quickly becomes a very costly endeavour. Due to past COVID restrictions, our club has not had great success in fulfilling our fundraising goals and is in great need of community support. Without this support our club would not be able to continue.

Thank you for consideration in the support of The Clairmont Minor Hockey Club. We are looking forward to another great Hockey Season.
