

**CLAIRMONT MINOR HOCKEY CLUB**  
**COACH APPLICATION**

It is the intention of CMHA and its Coaches to promote fair play and respect for all participants. This standard is set by Hockey Canada and supported by Clairmont Minor Hockey.

Applying coaches will be required to teach athletes to play fairly and to respect the rules, officials, opponents and teammates. Children need a coach they can respect, and in return be respected.

Coaches must obtain proper training and continue to upgrade their coaching skills with the guidance of the CMHA Technical Director. All coaches will have the support of the CMHA Disciplinary Board.
