### BoD Greeting

The countdown to the first day of summer (June 20th), has started when everyone heads to Club Mara for fun, relaxation, sun and catching up with our "Lake Families".

In anticipation of folks heading out to the Resort and ahead of the AGM on Jun 30, the BoD thought it would be good to share some of the hard work and improvements that have been done in preparation for the season.

### THE POOL before & after

The pool decking has been redone as it was chipping in many high traffic areas. The pool received a complete drain, interior clean and fresh water refill.

The pool holds 115,000 litres of water!

Can you guesstimate how long it takes the pool to drain?

Around 50 hours!

Landscaping around the park has been refreshed including the wash house area and playground garden. New cedar planter boxes were built, the addition of fresh soil, flowers and rock placement. Repair & Maintenance to the irrigation system is progressing. The gazebo received a well deserved new coat of stain to revitalize the structure.
