OPEN YEAR ROUND
FROM 8AM - 10PM DAILY

This space, now 23 years old, has seen lots of enjoyment from Club Mara residents, family and friends.

Like the pool, the hot tub was at the top of the priority list to receive some much needed time and attention in preparation for the upcoming season.

This project included a full drain, interior cleaning and repainting of the accent lines, as well as a brand new tub cover. The building and decking were pressure washed, crack filled and recoated giving the space a fresh new feel.
