Congrats Atom 2!

Atom 2

Did you play hockey growing up?

I've played hockey pretty much my whole life. Started at age 3 and still play when I'm not coaching.

Favorite sports movie!

Happy Gilmore

Best thing about coaching.

For me the best thing or most rewarding thing about coaching is when the team executes a play or demonstrates skill on the ice that we have spent time practicing.

Favorite NHL player

Sydney Crosby

Favorite pregame song

The kids seem to love that "Connor McDavid" song and sing along pretty loudly so I would have to say that one.

SUPERSTARS

Sterling Ostapovich

Initiation
Major

Sterling demonstrated leadership both on and off the ice cheering on his team and always thanking his coaches for their help. His desire to learn and determination to always improve his game is apparent. Sterling continues to improve with each practice and we're so excited to see where hockey takes this little fellow.

Josh Dawyd

Atom 2

Josh is truly a pleasure to coach as he always has a smile on his face and is quite the character in the room. He is well respected by his peers and gives his all every shift. He has been asked to play multiple positions and never complains. Positive attitudes are key to success. CNN is lucky to have Josh in their organization. Keep up the hard work Josh!!

Ryder Bradley

Peewee 2

With only three years playing hockey Ryder has become a leader and very valuable player on the peewee 2 team. Its because of his work ethic, never missing any practises and games and hard working attentive attitude. He has been rewarded by being named captain of his hockey club. Many great years to come for this young man .

Morgan Brown

Novice 2A

Great listening in practice and trying really hard on getting better at each drill.

Brandon Squires

Peewee 1

Brandon Squires is a natural leader and this is one of the reasons why he wears an A on his chest. Brandon leads by example, he is the first to talk to a coach to see what needs done to improve his game and one of the last kids to leave the ice, as he has such a love for the game. Brandon is the definition of player of the month as he is currently leading the Peewee 1 team in points with 9 goals and 5 assists. We as a coaching staff appreciate Brandon as he continues to strive to make Peewee 1 a better team as a with his attitude and motivation to be better.

Justin Delorey

Bantam 1

Justin is the Bantam 1 player of the month! Justin has showed both commitment and dedication at both practice and games! His hard work hasn't gone unnoticed, whether it's a timely pinch to keep the puck in on the forecheck or a great pass or a quick chip and outta the zone to relieve the pressure in the d zone. Justin is a great team player and a pleasure to have in the room. Keep up the good work Justin!!

Kaz Mann

Bantam 2

Leading the team and the NAI division in points with 19 in 5 games (averaging just under 4 points per game), Kaz plays center for the Bantam 2 team. Kaz has exploded in the last three games with 15 points, including a 6 goal / 2 assist game against Drayton Valley last Sunday at home in Gibbons. Kaz's incredible speed and consistent play have made him one of the most valuable assets to the team. His desire and willingness to play using the teams systems have helped elevate his play which is shown by his recent success. Although he is a very good goal scorer, he is also a team player and has 7 assists on the year so far.

Cole Carey

Midget

Cole Carey has shown great leadership and mentoring this year as a 3rd year Midget. Has a 0.93 save percentage and has one thing on his mind this year. □ Cole Carey is the Midget player of the Month.
