Fill in the rest of the spaces with the rest of the players on your team. List in numerical order, last name first. Line-ups are to be verified and signed as such by the respective head coaches. Score sheets must have the warm-up, clock drop, game start and game end filled in correctly. Scorina: Period the goal was scored in. TIMF =The time the goal was scored. Use a separate score sheet if you have more penalties or goals than you can fit on one sheet. If you make a mistake, cross it out and use another line on the score sheet. Do not try to overwrite your mistake.

In the case of a two Referee system, one can sign as Referee and one can sign as Linesman.
