

Apparel FAQ's

- Adrenalin can do team custom names and numbers on apparel.
- The in store staff have NO idea about any team or minor hockey apparel information so please use the @team adrenaline email for team requests.
- We will not tolerate any inappropriate manager behavior towards these in store staff (usually kids in store). This has already happened unfortunately and will not be tolerated.
- Team order apparel can have numbers on top and pant options for the most part. Only rare cases would be very small pant items.
- Backpacks can have number and name customization.
- CMHA/Adrenalin has Third Jersey Options available
- There is a large quantity of Rockies apparel already embroidered with our logo and ready to go. NOTE- There is not enough in all the brands that if everyone wants the exact same style there will be a shortage but there will be options if some brands go faster
- Pre decorated product options in store- Bauer Track Suits and Hoods, Bardown Hoods, Numerous versions Pukka Headwear, JRZ and Warrior Bags, Warrior Gloves, Yeti Tumblers, Water Bottles

- Just an idea, some associations instead of doing team orders are instead encouraging players to buy products as individuals from the online store. All items on the online store have customization options.
- Anything that is bought by parents or sponsored can be purchased wherever you wish. No one is forced to use Adrenalin. Some reasons above should mean that it should be:

- Competitive price based on bulk purchasing
- Faster turnaround given inventory
- In store, ready to go apparel options
- CMHA receives credit based on association spend with Adrenalin
- Replacement socks can be purchased in store in a few weeks as more stock arrives.
