

DRIVING POLICY (U18)

Driving Policy for Midget Age Players

Players who are of the legal driving age are to follow the following policies for their own and their teammate's safety:

CMHA RECOMMENDATION:

1. For Practices:

It is recommended Players not drive themselves or any of their teammates. We recommend that a parent drive to these practices that are scheduled after 7:30 pm. To help minimize the number of parent drivers, we recommend organizing a carpooling initiative to keep the kids safe. Players who do drive are expected to drive "directly", meaning there are no detours taken that bring another reason for the trip into consideration. (For Hockey Canada Insurance purposes)

2. For Away Games:

It is highly recommended that players do not drive themselves or any of their teammates to any games where the Cochrane team is the visiting team.

3. For Home Games:

- a) **In Cochrane:** Players will be permitted to drive themselves "directly", meaning there are no detours taken that bring another reason for the trip into consideration. (For Hockey Canada Insurance purposes)
- b) **Any game outside of the 45 km radius** (Cremona, Morley): Recommend a parent drive and suggest setting up arrangements for rides if parents do not want to show up early for games.

By signing below, I acknowledge that CMHA will not be held responsible if my son/daughter chooses not to follow the policy as stated above.
