

# Cochrane Minor Baseball Evaluation Guidelines

## Evaluator Expectations

3<sup>rd</sup> party evaluators will be present for all the evaluations that CMB performs unless otherwise stated in CMB procedures. Third party evaluators hired by CMB must follow the following rules and procedures.

- All evaluators must be ON the field for the duration of the evaluations.
- All evaluators must be focused on the performance of the player they are evaluating.
- Evaluators are expected to watch the entire skill before marking down the result.
- Evaluators are expected to provide fair, unbiased evaluation scores.

## Parent Expectations

Parents are to follow the following rules; **failure to comply with these rules will result in the removal of the parent from the turf area and possibly the removal of their player from the evaluation process.**

- Parents will not come onto the turf or bench area.
- Parents will not gather behind the turf before or during the evaluation process.
- Parents will not approach or talk with the evaluators or your child at any time.
- Parents requiring any information or clarification can talk with a member of CMB.

## CMB Board Member Expectations

CMB board member are expected to ensure that all individuals involved are working together in a fair, ethical and timely manner to ensure the most fair process possible.

## Cochrane Minor Baseball Evaluation Guidelines

- Players playing in the Minor to Senior divisions will get one (1) evaluation time. Players are strongly encouraged to attend to ensure the even displacement of talent for the house teams.
- Players will arrive at the turf prior to their start time to register to get their number.
- Players will be evaluated based on the following scoring system:
  - **Attitude / Effort / Focus (Worth 10%)**
  - **Fielding (Worth 25%)**
    - Throwing Mechanics (10)
    - Fielding Range (10)
    - Arm Strength (10)
  - **Hitting (Worth 35%)**
    - Mechanics (10)
    - Power (10)
    - Contact (10)
  - **Pitching (Worth 25%)**
    - Accuracy (10)
    - Mechanics (10)
    - Velocity (5)
  - **Speed (Worth 5%)**
    - Speed (10)
