### **Softball Report**

- Softball had the following teams:
  - 2 – U10, 2 – U12 , 1 – U14, 1 – U16, 1 – U19
- Lynne Nadeau has stepped down as the VP of softball. We are currently still looking to fill this role. In the meantime, Jodie and Michelle will prepare the system to take registrations in the new year.
- We will continue to work towards a regular season for 2021. The schedule was extended into July to accommodate almost the same number of games as a normal season and

weekend play was also incorporated. However, many families had summer plans and couldn't play in July so teams were amalgamated with players able to stay. We finished the season at the end of July with a U10, U12 and U16 team.

- Again – unprecedented weather made July a lovely month to play ball. The U10 team even got to participate in a slip n slide at Bow Ridge after a game on a hot evening. I'm sure they will remember that for a long time! All 3 teams participated in city playoffs and earned a berth into their respective division gold medal games. Congratulations to the U12 on their gold medal and the U10 and U16 on their silver finish.
- All things considered; it was a really good season. Special thanks to Michelle and Warren for their assistance all season long and thanks again to the parents for their support. See you in 2022.
