By signing this agreement below, I forfeit any right to bring legal action against the CRHA arising from my participation in volunteer CRHA activity. I will make every effort to obey safety precautions to protect myself, coaches, and players in these CRHA volunteer activities. I also understand that the CRHA coach is in charge of all activities related to such CRHA practices and other activity. Further, I must first be given the below clearance by CRHA to approve my participation as a volunteer.
