The Northwest Ringette Association and the Cochrane Ringette Association, would like to welcome you to the U12C 2023 Regionals!

We are thrilled to host 10 teams from Southern AB and over 100 athletes along with coaches, managers, and families. A huge thank-you to all the team staff, referees, fans and volunteers for their dedication to our amazing sport and helping to ensure our girls have the best regionals possible!

About our location: The school will be on during the day Friday, please plan accordingly for parking and be mindful of the extra kids on site. The onsite concession will be open at the arena all weekend. We will also have room in the schools cafeteria located upstairs after 2:00pm on Friday and all day Saturday/Sunday, where your teams can relax between games. Alternatively, you can find restaurants in NW Calgary just along the Hwy 1 or Cochrane is a short 10 minute drive down Hwy 22, where you will find all amenities you may need.

We look forward to some great competition, team bonding, and more fun than you can handle!

A BIG "THANK YOU" TO ALL OUR REFEREES!

DID YOU KNOW...

Ringette is a Canadian Invention.

Like maple syrup and poutine, ringette is unmistakably Canadian.

Invented by Sam Jacks in 1963, Ringette is now played in all 10 provinces and the Northwest Territories.

The ringette stick ends are tapered with a plastic tip designed with different grooves that help in increasing the lift and velocity for any wrist shot.

The National Ringette League (NRL) is the top level league for our sport.

There are on average of over 31,000 registered players every year.

Since 1990 a world ringette championship has been held every year Canada and Finland hold the record number of championships.

A ring weighs .35 lbs

Ringette is played world-wide in countries including Canada, Finland, Sweden, the United States, Japan, Australia, Germany, New Zealand, France, Slovakia, and the Czech Republic – and the sport continues to grow.

The Canada Winter Games have hosted a ringette tournament since 1991 Since 1971 a Canadian Ringette Championship has taken place across the country.

There are over 1,500 ringette officials registered in Canada

Over 8,000 men and women coach ringette across Canada

Although Ringette is predominantly played by females, over 700 males also participate across the country.
