Recreation Rink - Scoreboard Operation
Lacrosse

To Switch from Time of Day (TOD) and Game Clock
- The Score board can display Time of day (TOD), time of day with game score, and game timer.

To switch from TOD to Game Clock
- If the clock is in TOD mode, the screen will display **"Press any key to resume game."** Press any key.

To switch from TOD with game score to Game Clock
- If clock is in TOD with game score mode, the screen will display the TOD and game score. To switch to Game Clock, press <menu> and use the arrow keys (up or down) to find the **"Select TOD?"** option, press **<enter>**. Press **<enter> <enter>** to skip through TOD time setting to get to **"Time of Day, 1) Game   2) TOD"** display. Press **<1>**to select game mode.

To switch from Game Clock to TOD
  o If you wish to switch to TOD, press <menu> and use the arrow keys (up or down) to find the **"Select TOD?"** option, press **<enter>**. Press **<1><*current time*><enter><2>**. Display now reads **"Blank Game Data."** To enter TOD mode, press **<yes>.** To enter TOD with game score, press **<no>.**

Setting Main Clock
- Press **<Set Main Clock>**
- Enter desired time.
  o For 5 minute warm up, press: **<5><0><0><0> <enter>**
  o For 15 minute period, press: **<1><5><0><0><0><enter>**
- To change period, press <Period +1> until desired period is shown;
    Or
  Press **<edit><Period +1><*desired period*><enter>.**
- **Shot clock** will only run if the main clock is also running

---

Changing Score
- On either home or away side, press **<Score +1>** or **<Score -1>** to change score by 1.
    Or
  Press **<edit><Score +1><*desired score*><enter>.** Generally used at the end of a game to reset score to 0.

Adding Penalties

- On either home or away side, press **\<Player Penalty>*\<player number>\<penalty time>\<enter>*.** Note that the penalty time defaults to a 2:00 min minor penalty. Also the timer will automatically start a third penalty when the first penalty expires.
    - o For a 2 minute penalty to number 14, press:
        - ▪ **\<Player Penalty>\<1>\<4>\<enter>**
    - o For a 4 minute penalty to number 4, press:
        - ▪ **\<Player Penalty>\<4>\<enter>\<4>\<0>\<0>\<enter>**
- **During Intermission**, press **\<Disable Penalty Timer>** to stop penalty time running. Press **\<Enable Penalty Timer>** at the start of next period

---

Editing Penalties

- To change either the player number or penalty time, press **\<Player Penalty>,** use the **arrow keys** (up or down) to find the penalty you want to change, press **\<enter>**
- Follow directions for **Adding Penalties** to change the desired info

---

Deleting Penalties

- On either home or away side, press **\<Delete Penalty>,** use **the arrow key** (up or down) to find the penalty you want to delete, press **\<enter>**
