CLL & Our Community

So Why Be a Sponsor?

Raising Funds and seeking sponsorship enables our organization to keep operating costs low, pay for upgrades and purchase new equipment and uniforms without having to increase our registration costs making it affordable for every child in our community to play.

Sponsors are the key to helping us achieve our goals in providing a fun, positive, safe environment for our youth.

Being a sponsor gives your business the opportunity to gain local exposure, demonstrates your commitment to the families of our community and will provide a truly memorable experience for all players.

Coquitlam Little League offers competitive and community baseball for 650+ children and youth (ages 4-16) from Coquitlam, Port Coquitlam, Port Moody, Burnaby, Pitt Meadows and Maple Ridge. We host the majority of games for players aged 12 and under at Mackin Field and for the 13-16 age group at Blue Mountain Park where fields, batting cages and concessions are volunteer managed and organized year round.

After research, evaluation and consultation, the Coquitlam Little League Board of Directors is proud to share a set of guiding principles that helps guide our decision making process:

- Support a fun, encouraging community for all families
- Offer players an opportunity for success at their respective skill level
- Maximize opportunities for players to have in game experience.
- Maximize opportunities for players to develop their baseball knowledge and skills to help them reach their full potential.
- Offer a postseason program that competes at a National level.
- Increase lifelong participation by encouraging responsibility and offering opportunities to volunteer.
