## Referral Program

CVLA offers a Referral Program to all our returning players. If you refer a new player or players to CVLA Lacrosse and that player(s) plays the entire season than you will be refunded \$25.00 per referral at the end of the season. Please have your Referred

player put your name in the Comments when they register On-line. If you know a buddy or two, have them come out and play. The more the merrier.

## **ASSESSMENTS**

Depending on division numbers, the Board of Directors will at that time decide what tier teams will play in and base assessments on that decision.

Should there be assessments and you register after assessments are complete in your division, you will not be assessed but will be placed on a team that requires players.

## **WAIT LISTS:**

The CVLA executive may implement a wait list once each division has the team maximum of 18 players and 1 goalie. The executive will do everything possible to make sure every player wanting to play has the opportunity to do so.

We encourage all players to register early to assist with accurate registration numbers for teams and to avoid being wait-listed.
