Director Reports

President – Shane Mellish calling associations regarding Return to Play skill based clinics.

Secretary – Nothing to report

1st Vice President – Nothing to report

2nd Vice President – Nothing to report

Head Coach – Nothing to report

Treasurer Report

- Account Balances
 - General Account \$7000.00 still cheques rotating through
 - Gaming Account \$1698.23
 - Bottle Drive \$1355.00

Registrar – Absent

Head Referee – There is some games going on somewhere, there is zero contact and any to contact any player will result in an automatic 2 min penalty. Currently the games consist of 3 on 3 play with teams of 9 players only being played in an outdoor box.

Facility Coordinator – Nothing to report

Booster Club – Still have shorts that need to be picked up.

Website – No access to website – states the account has been suspended. Chris will contact them and see what's going on.

VIMLC Coaching Rep – Commission is in the early stages of trying to offer a short skills event for players. We would work across the Island with all divisions running a solo player skills event for anyone interested. We'd stagger the players so that we're distance everyone. We'll be needing all associations to arrange a field (if their municipality allows for it).

New Business

Refunds – Cancellation of 2020 Season

Refunds went well, one parent was upset but remained calm.

Most parents were understanding of the refund policy.

Jumpstart and KidSport refunds also prorated as per the refund policy.

Return to Play

Thinking about setting up a few sessions at the cost of the club to “save face” with the members.

18 kids on the field at a time with strict Covid rules being strictly enforced as per the BCLA Return to Play Guidelines.

An email needs to be sent out to all parents to see what kind of interest is out there and to look for volunteers for sanitizing and protocol enforcement.

Taylor to send email out to coaches to see if there is interest in helping out.

Teri to contact facilities to see what is currently available and the costs of soccer turf, ball fields and inner field at Sportsplex.
