

**Nanaimo Minor Hockey Association Tier 1 Regional ID Camp Phase 1  
for the 2023-2024 U13, U15 & U18 Programs**

Nanaimo Minor Hockey will be holding Phase 1 of our Regional Tier 1 tryouts beginning Feb 28, 2023. This is an open tryout for our **Regional Tier 1** teams for the following year. This will be for our **U13, U15 and U18 Tier 1** programs.

Phase 1 will be used to identify players for our regional programming in the 2023/2024 season. Matt Hughes our Director of Hockey Operations will oversee forming an independent committee to evaluate the players. Players looking for feedback heading into the offseason can contact Director of Hockey Operations Matt Hughes.

This will be an opportunity for our young athletes to enter an ID Camp following the conclusion of our season with minimal downtime which should ensure that they are at their peak both performance and conditioning wise thus allowing them to showcase themselves at the top of their game. It will also provide us the opportunity to provide feedback to the athletes on what expectations will be for next season as well as things to work on over the summer. It is important to know that this is not the final phase of the process but a preliminary opportunity for the players to possibly get an early idea of what next season will look like while competing with the players they likely be playing with or against next season.

The fee for the ID Camp will be \$150.00. This fee will cover both Phase 1 and Phase 2 in August. You will not be charged for both. If not selected for an early commitment each player will have an opportunity in August to attend phase 2 after a summer of hard work to try and earn a spot. If unable to attend these tryouts you can attend our August tryouts as well.

We are looking forward to providing this opportunity for the athletes in our region. To register please follow this link <https://go.teamsnap.com/forms/360120>

Groupings are as follow,

U18 open to all players in the 2006-2007-2008 birth years
