

CVMHA Registration Update 23/24 Season!!

After our successful transition into the online world of registrations, we will be continuing with the same for the 23/24 season with a few changes.

This year we will be utilizing the HCR for our association registration, and registration will be completed right from your Spordle account. In the coming weeks, it would be beneficial for you to log in to your Spordle account and update any incomplete or missing information to help streamline the registration process. If you have not yet created a Spordle account, you will need to register for one. Please visit the following link to update and/or register : <https://account.spordle.com/login>

Registration is set to launch on April 1st. Late fees will be in effect as of May 1st, 2023. Watch your emails and our Facebook page for further updates.

There will be an increase in registration fees this year. CVMHA has not raised registration fees in nearly 10 years, we have always strived to keep our fees affordable. With numerous increases in our operating costs, we had no choice but to raise our fees for the 23/24 season. I am sure you can all appreciate our fees still being among the lowest on the island. We are also thrilled to announce that this increase will allow all teams U11 and up full ice practices.

New Season Fees 23/24 Season

U6/7/8/9 - **\$425.00**

U11/13/15/18 - **\$525.00**

U21 - **\$600.00**

Competitive Tryout fee - **\$125.00**

Second Competitive fee - **TBD**

In addition, when you register seed funds will now be included the registration process. Incorporating it into registration will allow each team to start off the season with a surplus of funds in their team account to cover tournaments and other expenses. This also removes the stress from the manager of needing to collect the funds and will help to ensure that teams stay out of the red and don't require excessive fundraising. Seed funds for the 23/24 season have been set at the following flat rate amounts:

U6/7/8/9 - **\$100.00**

U11/13/15/18 - **\$200.00**

We know these additional upfront costs may come as a surprise to some, and as always, we are willing to work with you to ensure there is no financial hardship. Should you choose to pay online with a credit card or debit Visa/MasterCard, there will be payment plans available for the balance owing if needed. KidSport and Jumpstart funding is also available to those who qualify, please visit our website for more information on these and other financial assistance programs.

Should you wish to pay via cheque / cash / or emt the following due dates will apply:

Registration fee – Due on or before August 1nd 2023

Tryout fee – Due on or before June 1st 2023

Seed funds – Due on or before September 15th 2023

Second Competitive fee – Due on November 1st 2023

If you have any questions or concerns regarding registration or require assistance, please contact Kirstin at registrar@cvmha.ca
