

## Nanaimo MHA Tier 1 Regional Tryouts Phase 1

Nanaimo Minor Hockey will be holding Phase 1 of our Regional Tier 1 tryouts beginning Feb 22, 2022. This is an open tryout for our Regional Tier 1 teams for U13, U15 and U18, 2022-23 season.

Groupings are as follow: U18 will be players in the 2005-2007 Age Range

U15 will be players in the 2008-2009 Age Range

U13 will be players in the 2010-2011 Age Range

Phase 1 will be used to identify no more than 10 players per Tier 1 team, that will be offered early commitments. Matt Hughes our Director of Hockey Operations will oversee forming an independent committee and making these choices. Players receiving these commitments will be contacted. Players looking for feedback heading into the offseason can contact Director of Hockey Operations - Matt Hughes.

This will be an opportunity for our young athletes to enter a tryout following the conclusion of our season with minimal downtime which should ensure that they are at their peak both performance and conditioning wise thus allowing them to showcase themselves at the top of their game. It will also provide us the opportunity to provide feedback to the athletes on what expectations will be for next season as well as things to work on over the summer.

The fee for tryouts will remain at \$125.00. This fee will cover both Phase 1 and Phase 2 in August. You will not be charged for both. If not selected for an early commitment, each player will have an opportunity in August to attend phase 2, after a summer of hard work and earn a spot.

We are looking forward to providing this opportunity for the athletes in our region. To register please follow the attached link <https://go.teamsnap.com/forms/302371>
