

## **Dear Players and Parents,**

My name is Jordan Salter, and I am excited to welcome you to the CPGHA U15BB Cyclones team for the upcoming season! Below, you will find important information about the season, my coaching philosophy, and what to expect.

### **Personal**

Hockey has been a lifelong passion of mine, and I have had the privilege of both playing and coaching for many years. Coaching in the CPGHA has been very rewarding and I am thrilled to be back behind the bench as a head coach. I am looking forward to working with this group to develop their skills, confidence, and teamwork. My goal is to create an environment where players are challenged, supported, and motivated to reach their full potential.

### **Team Goal**

Our team will focus on skill development, hockey IQ, and playing with intensity while fostering a positive and competitive environment. We will emphasize hard work, accountability, and teamwork both on and off the ice. Success will be measured not only by wins and losses but by the growth and progress of each player throughout the season.

### **Expectations**

Every player is expected to come prepared, work hard, and show respect for their teammates, coaches, opponents, and officials. Effort, discipline, and a team-first attitude will be key values we emphasize throughout the season. Players are responsible for their development by putting in the work during practices and games, as well as maintaining a positive attitude.

### **Tournaments and Team Fees**

We will participate in **four tournaments** this season—two local and two away, and hopefully provincials as well. These tournaments will provide great opportunities for competition and team bonding. Team fees will be calculated once the final roster is set and will cover tournament fees, team apparel, off-ice activities, and other expenses. More details will be provided once budgets are finalized.

### **Coaching Staff**

I am fortunate to have a dedicated coaching staff alongside me who share a passion for player development and teamwork. Once our full staff is confirmed, I will share their names and roles with you. We are committed to helping each player improve and have a successful season.

## **Communication and Expectations**

Open communication is key to a successful season. We will use Ramp and email to keep everyone informed about schedules, updates, and important team information. If you ever have questions or concerns, please feel free to reach out to me directly.

I look forward to an exciting and competitive season with this team. See you at the rink!
