**Policy Amendment Summary**

<b>Import Policy</b>	
<b>Date Amended</b>	<b>Amendment Details</b>
January 12, 2026	Amended as per CPGHA January 2026 board discussion

## CPGHA Policy: Import

Effective Date	This policy was last approved by the CPGHA executive on January 12, 2026 and takes effect on April 1, 2026.
Objective and Scope	<p>This policy is an administrative tool intended to formalize and provide a clear and consistent approach for import players within the CPGHA.</p> <p>Import restrictions do not apply to house or senior teams.</p> <p>For the CPGHA high performance program, refer to the respective policies.</p>
Who is an Import Player	<p>An import player is defined as a player that was registered with an OWSA sanctioned minor hockey association other than the CPGHA in the previous season. Please note that proper paperwork (Permission to Skate/Release) is required before the player can try out.</p> <p>Players who have never played in an OWSA sanctioned minor hockey association are not considered import players. For example a player would not be considered an import player if they are coming from ringette or boys hockey or another province.</p> <p>Exceptions may be granted for players who have moved from residences outside of Ottawa prior to the start of the season in question. For example, if a family has moved from outside CPGHA boundaries into CPGHA boundaries, then consideration may be given to not classify the player as an import.</p> <p>The CPGHA does not limit the number of imports at this time. Consideration on team size and number of spots are reviewed prior to approving an import player to try out.</p>
Placement and Scoring	<p>Import players must score in the top two thirds to be considered for the team. and goalie must be top goalie.</p> <p>After completion of one season with the CPGHA, a player is no longer considered an import.</p>
Exceptions to Policy	Exceptions to this policy can be made at the discretion of the CPGHA executive.
Policy Inquiries	Inquiries on this policy can be submitted to the CPGHA Executive via <a href="mailto:cpghasecretary@cpgha.ca">cpghasecretary@cpgha.ca</a> .
