Welcome Coaches and Team Managers!

The Central Queens Clippers Soccer club along with our sister club Eliot River are pleased to welcome you to our 33rd Annual Youth Tournament at the beautiful Elmer G. MacDonald Soccer Complex in Hunter River. Once again this year`s tournament promises to provide lots of exciting soccer action. We would like to welcome teams from all across the Island in addition to those from off Island. This summer, we are thrilled to welcome almost **80 teams** making us one of the largest soccer tournaments on Prince Edward Island.

This package has information to help answer many questions that you and your team may have over the weekend. Game results will be available in our clubhouse as soon as game sheets are turned in. They will also be posted at the end of each day on the [club's website](#).

The registration desk is located in the clubhouse, all teams are asked to check in prior to their first game. Each team is guaranteed a minimum 3 games of which a player of the game award will be given for each 3 games in their grab bag. The Clubhouse will be open throughout the tournament, and houses the canteen, washrooms, ref room, volunteer sign in and info/registration desk. No dogs are permitted in the clubhouse. There will also be port-a-potties located by Stordy field. In addition to the canteen, we will have a BBQ set up for purchase on Friday and Saturday. On Saturday evening, we will have a mussel boil free of charge.

Please communicate the following rules and information to your team. This communication is essential for a successful weekend. Thank you for your help in ensuring a safe and fun tournament for everyone! We wish the best of luck to all of the participating teams.

Event Grounds Traffic Rules & Guidelines

During any large events we strive to keep traffic moving within our event complex. We ask that all visitors respect and follow traffic guidelines to ensure there are no issues.

The following rules are in place to prevent traffic & parking issues and to improve safety for pedestrians:

1. Traffic flow is one-way only around the complex.
2. Park in designated parking areas only. Violators may be towed.
3. Do not block cars in by double parking or waiting for cars to vacate a parking space even if you know them.
4. If there are no parking spots available overlooking the fields, please continue around until you reach the parking spots available below the fields.
5. There is no pick up zone at the clubhouse - we ask that you keep traffic moving
6. Drivers who circle the complex looking for the ideal parking spot may have to exit the complex and re-enter. This is to avoid traffic gridlock in the complex.
7. Do not drive on the soccer fields. Damage to the fields and irrigation system is time consuming and expensive to fix. Violators may be held financially responsible for damage.
8. Carpooling to the Complex is strongly recommended as an excellent way to reduce the number of cars accessing the Complex.
9. Overflow parking can be found directly across the road from the entrance to the complex in the field. We also encourage our event volunteers to park here. **Not available in 2023**
10. Designated parking for oversized vehicles such as trucks, vehicles with trailers or RV's is also located in the overflow parking across from the main entrance to the complex. **Not available in 2023**

We will have volunteers in place to help keep traffic flowing, please respect our rules and our volunteers.
