# E. Covid Plan-Return to Play

-Updated on phase 3

-It is focus on players not spectators, still at only 50 people in a building
-Should allow scrimmages- don't need to social distance ice surface "field of play
-Bench is not considered 'Field of Play' at this point so need to social distance on bench-will mark spaces with X's-hoping this is relaxed in the coming weeks
-One way traffic on and off ice surface

-No change overs on the fly, maybe have use buzzer like in mites etc.

-Officiating- still sorting out. Maybe try to have same official in certain cohort

-AAA allowed 25 players per team and all others 19 per team. 4 teams in each cohort

# -Motion was present by Giacomo Scavo; Due to Covid 19 and social distancing requirements parents will not be allowed in the rink at all during preskate, try outs and evaluations.

## 2<sup>nd</sup>: Todd Leffler
