

I. OBJECTIVE

It is the purpose of this Policy Handbook to provide assistance and direction to those who are responsible for the operating needs of Minor Hockey Teams in the Cranbrook Minor Hockey Association. (CMHA)

The duties and responsibilities of Elected Executive and Board Members are outlined in the CMHA Constitution and Bylaws.

II. STRUCTURE

Cranbrook Minor Hockey Association (CMHA) is a non-profit recreational sport society incorporated under the British Columbia Societies Act. CMHA is responsible for all Minor Hockey activities within the boundaries established by British Columbia Amateur Hockey Association (BCAHA). CMHA is responsible to and receives its mandate from the East Kootenay District, which in turn receives its authority from Hockey Canada through BCAHA.

Should a perceived conflict of interest arise, board members shall not be allowed to vote on issues that may directly affect their immediate family, business, or employment.

Volunteers staff CMHA, a non-profit organization under the British Columbia Societies Act. Although we pay our referees, no member or participant may receive a personal use benefit, cash or otherwise, without the written consent of the Executive.

All players will be placed on their respective teams at playing levels to commensurate with each player's age, playing skill and experience. Every effort will be made to ensure this is achieved as fairly as possible.

Age "Divisions" within Minor Hockey are set by Hockey Canada (Age is set at the player's age as of mid-night Dec. 31). Novice/Initiation – 5-8; Atom – 9 & 10; Pee wee – 11 & 12; Bantam – 13 & 14; Midget – 15, 16 and 17.

Note: Players may be moved to different levels as numbers, skill and previous experience will all be factored into a player placement. Should a parent or player disagree with their placement a formal request may be made in writing to the appropriate CMHA member to have their child re-evaluated or for an explanation of player placement.

All teams in CMHA may participate at one of 3 playing levels:

- (1.) **COMPETITIVE LEVELS** A and B are Rep teams, with the A teams playing in the SCAHL and the B teams playing in the EK League. These teams may also compete for the EKMHA Zone and Provincial Championships at the end of each season. Atom A & B teams may play in a league formed by EKMHA in concert with other Associations, on prior approval from CMHA.
- (2.) **RECREATIONAL LEVELS** All players not playing for A or B teams, will play in the House League.
- (3.) **INITIATION** in house teams for all players aged 5 to 8

VI. TEAM SELECTION

PHILOSOPHY: The CMHA makes its selections so that each player plays at a level compatible with his or her skill, ability, attitude, desire, and experience level for his/her age group.

1. *House Teams will carry the number of players most suitable for the current registration.*
 - a) Division heads and coaches will select teams using player evaluations, ensuring that all teams have equal numbers of similar caliber players. The teams will be selected by way of "Blind Draft". Following the appointment of coaches, and evaluations of players, the coaches will assist the Division Head in the "Drafting" of the teams.
Once the teams are formed, each Coach will then pick a number from a hat to determine which team will be assigned to him/her. If his/her son or daughter is not on the team chosen, then appropriate trades will be made to ensure the child is on his/her team. Requests to play with certain players or coaches will not be granted unless absolutely necessary and shall be the exception and not the rule. All requests must be approved by the Division Head.
After a few games into the season, the Division Head may rearrange players if teams are not even.
2. *Rep Teams will consist of 17 skaters and 2 goaltenders.*
In order to assess and categorize each player the following tryout procedure has been adopted:
 - a) CMHA shall form a Coach Coordinating committee at the beginning of each season, which will include the Coach Coordinator (Chairperson), the President, and one other board member. This committee shall report to the Executive as necessary.
The Coach Coordinating Committee shall appoint liaisons for each division to oversee the Team Selection process. These liaisons may or may not be board members and will report to the Coach Coordinating Committee as required.

Player selection will be supervised by the coach coordinator and will consist of the coach and a minimum of three evaluators, appointed and approved by CMHA, who have no affiliation with any of the players that are trying out. In decisions regarding the coach's son/daughter, the coach's evaluation should be forfeit. The evaluators and the coach will be responsible for picking the team, (with the last 3 selections being at the discretion of the coach). There must be consensus within the group and no person has 'veto' power. In situations where consensus cannot be reached, the coach coordinator will provide input to break the tie.

Evaluations will be a test of skills, drills and scrimmages until such time as the group has been pared to 20 players and 3 goalies. Final evaluations will be done after actual games have been played. These games may be inter-squad or exhibition (against non-Cranbrook teams), with players playing on different lines and with different teammates (i.e. no 'stacked lines' to play the entire game), and all players receiving equal ice time, to the greatest extent possible.

All players will receive a CMHA evaluation summary when they are 'released', must be told in person and can decide whether they want their parent(s) present. All releases will be done in writing and a copy given to the player so that there is a record of the reasons for release. A CMHA Board member must be present for all releases.

Any appeal of the player selection process must be in writing and delivered to the CMHA executive within 7 days of the player's release. CMHA will ask the coach coordinator to review the selection decision and discuss the reasons with the affected player and parent(s). If the coach coordinator decides that the player's appeal has merit, he will liaise with the coach and discuss the possibility of that player receiving a 'second look'. Since the evaluators' job will have already been completed the decision on whether the affected player 'makes the team' will be the responsibility of the coach and the coach coordinator. After a decision is reached, the affected player and parent(s) will be advised of the decision. This decision will also be in writing and a copy given to the player and parent(s). There will be no further appeal against this decision.

- b) Tryout fees are non-refundable once a player has been in attendance.
- c) CMHA Board Executive will approve evaluators for all divisions prior to tryout sessions.

Target date to finalize rep team rosters will be in accordance with Hockey Canada with a deadline of Oct 15 for A teams.

All players wishing to play rep must tryout for teams. No player is guaranteed a position on a team. Midget players trying out for or playing on junior teams will receive a tryout if they are released from the higher level.

Any player injured before or during tryouts will be given the opportunity to tryout for the appropriate rep team when able to, up to the Dec. 10th carding deadline. The desire to try out must be indicated to the coach at the beginning of the year. If the player was injured prior to the payment of tryout fees, there will be a prorated cost for tryouts. The injured player will, when ready go to the next lower level and be assessed regarding ability for the higher level tryout.

Should for any reason, a coach decide to release a player after the season has commenced, the coach must present and document to the Rep Coach coordinator the reasons for release, and receive approval for the release prior to advising the player of their termination from the team.

Players moving into the association area after tryouts will be placed on a house team, and evaluated there, with movement to a higher level if it is appropriate. No player may join the tryout process, for any reason, once the first releases have been made.

All Hockey Canada residency rules apply.

VII. PLAYER MOVEMENT

1. All player movement during the season must be in accordance with BCAHA, Hockey Canada and CMHA guidelines.
2. Any player movements for practices or games, from any team, must follow these procedures:
 - a) First communication must be between the coaches of the affected teams.
 - b) All team head coaches should be in agreement to any player movement.
 - c) The coach losing the player(s) must then contact and communicate the possible player(s) move to the parent(s).
 - d) If no agreement can be reached amongst the coaches, the Division Head or Coach Coordinator, and/or other Executive members will arbitrate the situation.
 - e) No coach shall contact either directly, or indirectly, any parent or player involved in a possible move prior to a resolution.

VIII. FUND RAISING GUIDELINES

All teams and participants have a responsibility to project a positive image of the team, and Cranbrook Minor Hockey.

AT ALL TIMES, THE PUBLIC IMAGE OF THE CMHA MEMBERSHIP, CONDUCT AND APPEARANCE MUST REFLECT THE VALUES, POLICIES, AND PRACTICES OF CMHA.

From time to time, parents and players will be expected to make volunteer and or monetary contributions to meet team and association expenses through fund raising efforts.

Each team will be responsible for manning at least one Kootenay Ice Game 50/50 draw.
All teams may fund-raise with CMHA approval.

1. Direct public support may be requested through activities such as candy sales, car washes, 50/50 draws, etc., provided they are approved by the Fundraising Coordinator (or President if there is no Fundraising Coordinator). Alcoholic beverages may not be used as prizes.
2. The fund-raising coordinator will apply each year for bottle drives traditionally used by CMHA. Bottle drives must be booked through Parks and Recreation at the City.
3. Many corporations make substantial contributions to our Association through sponsorship of teams, tournaments, and other Association programs. The Fundraising Coordinator will provide a list of these corporate sponsors. Teams will not approach these sponsors for additional funding.
4. All fund raising programs must be well supervised and controlled by adults.
5. All profits from fund raising programs are deemed to belong to the TEAM.
6. Fund raising programs should be carried out chiefly within our Association boundaries.
7. All plans for team fund raising must be discussed and approved at a parent meeting and by the Fundraising Coordinator.
8. Team management is responsible for ensuring that all Association guidelines and Municipal bylaws are followed.
9. Teams may plan, budget and fund raise only for the following purposes:
 - a. Tournament team registration fees.
 - b. Team hockey socks.
 - c. Team practice jerseys and sweater name bars.

- e. Additional Ice Time.
- f. Costs for end of the year banquet or team party (to a maximum of \$500.00).
- g. Team meals (1 per out of town weekend).
- h. Other team expenses such as faxes, phone calls and correspondence, which must be documented.
- i. Provincial Championships/Year End Tournament, if applicable.
- j. Buses for travelling.
- k. Fundraising for any other items not mentioned above must be approved by the CMHA Executive.

10. UNDER NO CIRCUMSTANCES can teams raise funds for items such as the following:

- a. Team jackets.
- b. Team track suits.
- c. Team hats.
- d. Team equipment bags.
- e. Any personal hockey equipment.
- f. Team and individual photographs.
- g. Individual travel expenses other than the aforementioned coaches' accommodation/meals/gas.
- h. Tickets to sporting events or other entertainment.

These items should be purchased by the players/families on an individual and personal option basis. If a team wishes to make a team purchase the decision must be unanimous.

Left over funds shall be returned to the CMHA Treasurer to be deposited in the Association's account. At no time shall fundraising money be returned to a player or parent unless the player is injured or moves, and the parent has paid out of pocket to the team, in which case a prorated amount shall be reimbursed. At year-end, if there are excess funds in the team account, then parents may be refunded in amounts not to exceed what they originally deposited out of pocket, and this must be done for every team member or none at all.

Development Team Start Up Loan

At the start of each season, the Treasurer may distribute, from CMHA general revenue, a \$1000.00 loan to each development team.

These funds shall be deemed a loan from the CMHA, separate from sponsorship monies, and shall not be tied into the team's rep fees. It is strictly understood that these funds are loaned to assist the team to make their financial commitments as the season progresses, and is to be used for items listed in Section VIII, paragraph 9 of this policy book.

The Treasurer shall collect the re-payment of this loan, in full, no later than February 1st of each hockey season. A team may repay this loan at anytime, and all monies will be returned to the general revenue account.

In accepting the loan, the team agrees that, if on February 1st of the hockey season, that team is unable to repay the loan in full, the Treasurer will request from the team manager, a cheque from each player, in the amount of their equal portion, to the sum total of \$1000.00.

IX. SPONSORSHIP POLICIES

- 1.) All Team sponsorships shall be the responsibility of the CMHA. Team sponsorship revenues are an important and integral part of Association budgeting each year. Potential new sponsors should be referred to the CMHA.
- 2.) Each team should have only one sponsor. (There may be the occasional exception, to be approved by the CMHA).
- 3.) Sponsors will be assigned based on team affiliation and sponsor preference where possible, at the discretion of the CMHA.
- 4.) The Association arranges for team sponsors and fees paid are directed to general association funding. The sponsor is under no obligation to provide additional support to the team. CMHA will provide a list of these corporate sponsors. Teams should avoid approaching these sponsors for additional funding.
- 5.) The Association will provide each House team with jerseys silk-screened with name and publicity when available.
- 6.) The CMHA has the following obligations to the Sponsors:
 - a.) Maintain regular verbal or written contact with the sponsor.
 - b.) Deliver a framed team picture to the sponsor (showing the team name, sponsor name and year picture is taken) prior to the end of the season.
 - c.) In any press release given to local newspapers regarding team activities the team sponsor's name must be used.

X. TEAM FINANCIAL REPORTING

All organizers associated in any way with minor hockey activities should follow uniform procedures for the control of all cash revenues and collections. The best way to ensure personal integrity is to always operate in an open and well-documented manner. It is therefore appropriate and necessary to expect the following:

- 1.) The team parent or team manager in their respective divisions will be responsible to provide parents and the CMHA Executive a Financial Report at the end of each season.
- 2.) Bank accounts should be used for team, committee and other association funds and these accounts should have monthly statements provided, with cheques returned. All funds, statements and cancelled cheques as well as receipts, invoices and other financial records are to be held in Trust for the Association Executive by a team, committee or event Treasurer. These documents should be kept safely and be made available upon request by Association President, Treasurer or Executive.
- 3.) Accounts should be opened "In Trust", or in the name of the team, committee, or event etc., with cheques signed by two adults, one of whom must be the team Manager or Coach, or Division Head.
- 4.) A receipt in writing must document all cash transactions.
- 5.) Excess funds (over \$500.00 for house, \$1300.00 for rep) in the account at the end of the season should be returned to CMHA Treasurer for deposit in our general account.
- 6.) Under NO circumstances should excess funds be used in ways not allowed for under "Fundraising Guidelines".
- 7.) The CMHA Treasurer can review the bank records of any team. The team records must be provided to the Association Treasurer within seven days of written request.

XI. COACH SELECTION (Development and Competitive)

The CMHA chooses "A" and "B" coaches through the Coach Selection Committee. All coaches (Head or Assistants) must receive prior approval from the CMHA Board of Directors. For 'Rep Head' coaches, this means that applications, resumes and Criminal Records checks will be pre-screened at the first available Board Meeting after the application deadline but before any interviews take place with the candidates. The criteria include: coaching level attained through formal clinics; background and coaching experience; references; reliability and integrity; coaching philosophy compatible with association philosophy, and policies.

- 1.) A coach selection committee will be formed and will include up to 5 members. The Coach Coordinator will chair and oversee the selection of the committee members. The selection committee will include at least one CMHA board executive, and at least one other qualified and interested board member. Where additional interested and qualified board members are not present on this committee, the committee may include other qualified individuals from the community. The CMHA board executive must approve the coach selection committee.
- 2.) Upon receiving the coach applications, the coach coordinator will notify the applicants as to their interview time, and advise them of the selection committee members to ascertain if any conflicts are present with the applicants. The utmost care will be given to avoid conflicts of interest when appointing committee members. If a conflict appears to be present, a new committee may be assigned to deal with a specific group. The same committee will remain intact while interviewing applicants competing for the same position.
- 3.) Before the interview takes place, it is imperative that the committees discuss and be familiar with the qualities the association is looking for in a coach. This may differ from division to division. Some guide lines to consider are: Experience in CMHA, experience in coaching minor hockey, experience working with children, community involvement, certification, education, training, references.
- 4.) A set of written questions will be used to insure a fair and equitable playing field for all applicants. Where spontaneous questions arise, care should be taken to insure all facts and issues are presented properly so as not to place a particular candidate in an uncomfortable or disadvantaged position.
- 5.) The Coach Coordinator will chair and conduct the interview and oversee the selection process. If for any reason the coach coordinator must be removed from the selection committee for a particular group of applicants, the next in line senior member of the board will chair the committee. This individual will then undertake the duties of the coach coordinator for that particular group of applicants. Only those present during the interview process will be involved in the selection process. The successful coach candidate will be derived from the interview process, committee discussions, and lastly, an open vote. A majority decision is required in each instance.
- 6.) The Coach Coordinator, and or the Chair of the Selection Committee will contact all applicants, successful or not. The Chair of this committee will be prepared to answer questions the unsuccessful candidates may have. It is imperative that all applicants be informed as to the reasons for being chosen or not. The successful applicant must first be contacted to ensure that they will accept the job. Only after this has been ascertained, will the other applicants be contacted.
- 7.) Procedures and questions outlined in the BCAHA Guide to Coach Selection will be followed as closely as possible. Procedures and questions will be discussed with the Coach Selection Committee prior to the interviews.
- 8.) All rep coaches must have their Speak-Out, Coach Level certification in their 1st year of coaching, and procure their Intermediate Level in the following year. (BCAHA rule).
- 9.) All applicants must undergo a criminal record check prior to the interviews.
- 10.) Under no circumstances shall any member of the coach selection committee have a child in the division that the coach is being selected for.
- 11.) The Coach Coordinator must not hold a position on any CMHA team as a team official.

XII. DUTIES AND RESPONSIBILITIES OF COACHING STAFF

The CMHA Executive requires a high standard of conduct from its coaching staff in dealing with players, coaches, referees, and officials and in the image projected to participants and parents of the CMHA. The coaching staff is an integral part of the Association and is expected to support the decisions of the Executive and abide by the CMHA Policies. The following is a list of items this Association expects from coaches:

- 1.) Coaching at all levels should consist of teaching and improving hockey skills of individual players and promoting teamwork and sportsmanship.
- 2.) It is the philosophy of the CMHA that all participants on house and development teams receive equal ice time. Ice time lost due to disciplinary action, injuries and suspensions does not apply. To the greatest extent possible, equal ice time should be given to players on competitive teams.
- 3.) The coach is to ensure that each of his/her players is properly protected and parents are advised of the necessity for players to wear properly fitting and approved equipment.
- 4.) Team Captain and Alternates should shake hands with the opposing coaches and officials at the beginning of the game. Both teams shake hands at the end of the game unless league rules prohibit.
- 5.) The coaching staff must have a controlled attitude towards referees. Lack of coaching self-control will not be accepted by the CMHA and may initiate review and possible dismissal.

TURNING POINT PROGRAM

Introduction:

The Cranbrook Minor Hockey Association (CMHA) , through its Board, has seen a need to remind all players, parents, coaches, officials, and spectators of the reason our children enter into the game and our organization. As a result, the Board has taken steps to emphasize three basic values of minor hockey: **Fun, Respect** of the rules and game participants, and **Development** of the children playing the game.

In September 1999, the board drafted a policy outline modeled after the Minor Hockey Association of Calgary's " Turning Point" program. The goal of this adaptation is to re-evaluate why our children play this game and to return to the practice of developing self-esteem and physical fitness among all children playing the game.

In order for this program to be effective, there has to be recognition on the part of all involved in minor hockey, that only a small percentage of minor hockey players will ever play at the Junior or Professional

levels of the game. Once this fact is accepted, it will help build a platform for fair play, mental and physical development, respect for the game, and the opportunity for all players to flourish.

CMHA has recognized that they are duty bound to provide an environment free of all mental and physical abuse. In order to do so, there must be sanctions against individuals who, through their own actions, make it difficult for the children to develop in a manner consistent with the ideals of the CMHA.

Definitions:

Game Participant: Includes any player, coach, team administrator, on ice official, off ice official, representative of the Board, parent, guardian, spectator, or arena employee who attends any arena or place to participate in or view a CMHA sanctioned event.

Unacceptable Behavior: an individual is considered to be displaying unacceptable behavior if he or she is verbally or physically harassing or abusing a game participant in or outside the arena, or any other behavior which the Board deems as unacceptable.

Implementation:

The identification and response to "unacceptable behavior" is not limited to CMHA ice time and arena events in Cranbrook. The CMHA and its Board reserve the right to discipline any game participant who attends a game or event of any kind involving a member team of CMHA which occurs outside the City of Cranbrook.

Reporting Process:

When a situation of unacceptable behavior occurs, it is the responsibility of coaches, parents, game officials, or other game participants to respond to the incident(s) by reporting the person(s) involved. All incidents of reported unacceptable behavior will be dealt with by CMHA Discipline Committee. There will be two processes to identify and report unacceptable behavior. The focus of the program is reporting unacceptable behavior not confrontation.

- A game participant will complete an incident report in writing and submit the report to the CMHA office located at #10-1777 2nd Street North, Cranbrook, BC, V1C-7G9. A report must be filed within seven (7) days of the incident of unacceptable behavior. Incident reports will be available in Cranbrook facilities utilized by CMHA and from a CMHA Board member. No report will be accepted unless that report is legible and the person making the report, identifies themselves on the report. A report filed in this manner will be dealt with within seven (7) days of its receipt by the Discipline Committee.
- Any member of the CMHA Board has the right to immediately suspend any game participant found committing unacceptable behavior. To coincide with this, any CMHA member of the Board has the right to suspend the affiliated coach, team official, or team if deemed necessary in order to prevent detrimental or unbecoming conduct on the part of any game participant. The game participant(s) will be asked to leave the arena or place where the unacceptable behavior has taken place and will not be permitted to participate in CMHA ice time or sanctioned event until the incident has been dealt with by the Discipline Committee. Any board member exercising this right must forward a written report to a member of the CMHA Discipline Committee within 24 hours of the incident.
- Should an incident occur outside the City of Cranbrook, the board member shall be permitted to file the report verbally with any other board member. Care will be taken to record the report verbatim. Once a report has been filed, the Discipline Committee will have seven (7) days to deal with this type of incident.

Criminal Behavior:

The CMHA Board encourages any game participant to report acts of physical abuse or behavior which causes a disturbance that normally would not occur during the confines of a game to the local detachment of the Royal Canadian Mounted Police or local Police Service.

The Criminal Code of Canada defines "disturbance" as follows:

- Everyone who, not being in a dwelling house, causes a disturbance in or near a public place, by fighting, screaming, shouting, swearing, singing, or using insulting or obscene language, by being drunk, impedes or molests another person, openly exposes or exhibits an indecent exhibition in a public place or loiters in a public place and in any way obstructs persons who are in that place.
- Criminal Behavior also includes acts of assault, willful damage to property, uttering death threats, and other acts described in the Criminal Code of Canada.

Penalties:

The CMHA Board reserves the right to penalize any game participant, as it deems necessary. Penalties include, but are not limited to, one or more of the following:

- Written warning
- Suspension of playing privileges
- Prohibition from attending any facilities being used by CMHA or its member teams during CMHA sanctioned events.
- Outright dismissal from the CMHA with forfeiture of registration dues and/or tournament fees.

Current policies of the CMHA dealing with the Discipline Committee and the Appeals Committee will coincide with the Turning Point Program.

XXII. Codes of Conduct

FAIR PLAY CODE

- 1.) Fair play is in place to ensure that each player gets equal participation in game situations.
- 2.) Ice time lost due to disciplinary action, injuries, and suspensions does not apply.
- 3.) Fair Play is **mandatory** up to and including Atom A (all divisions), and House Leagues (all divisions).
- 4.) Any complaints regarding Fair Play should be made in writing to the discipline committee. As CMHA is committed to ALL the players, infractions of the Fair Play guidelines will be dealt with severely.

FAIR PLAY TIPS FOR PARENTS

- 1.) The main expectation of the Fair Play program requires parents to act as positive role models. Yelling negative comments at opposing players, any coach, any player or any official will not be tolerated.
- 2.) If you are in the stands and the person next to you is being negative, tell that individual that he/she is not only embarrassing his/her son/daughter, but the embarrassment is spread to the team and all other participants on/off the ice.
- 3.) Accept the fact that mistakes may be made by any individual during any game. Coaches, athletes and officials make mistakes. Be tolerant of mistakes, you are watching AMATEUR SPORTS
- 4.) If you feel that something unacceptable is being done, direct constructive comments to the association. Yelling and screaming negatives will only isolate you from your friends and from your child.
- 5.) The Fair Play program expects parents to understand that all the players want to have fun playing the game of hockey. Parents should encourage this fun in a positive way.
- 6.) The Fair Play program encourages parents to maintain a positive outlook towards not only their son/daughter, but to all the teammates and to the opposing players as well. Parents feel good when opposing fans clap for their players and their team. Share that good feeling by clapping for the opposing player or team when a good play occurs.
- 7.) The Fair play program expects parents to understand that you are watching young players having

fun enjoying a sport they love. The young players are NOT there to entertain the parents in the stands.

- 8.) The children you watch on the ice do hear and see you at the rinks. The children look to you for acceptance and praise.
- 9.) The Fair Play program expects that positive praise for your child and others should not be lacking. You, as a parent, are a vital part of the game.

The Fair play program encourages your participation in your son/daughter's hockey experiences.

- ** Respect the Rules
- ** Respect the officials and their decisions.
- ** Respect the opponents.
- ** Maintain your self-control at all times.

As a parent, please remember the Fair Play Motto:

LESSONS WILL BE REMEMBERED LONG AFTER SCORES ARE FORGOTTEN.

APPENDIX 1**FEMALE PROGRAM SUPPLEMENT****Purpose:**

To describe the policies that will define the Female Program in CMHA, provide the goals and objectives that teams, players and staff will adopt and to guide the development of CMHA female hockey players.

All female players will be subject to the general rules and policies of CMHA, unless specifically stated otherwise in this supplement.

Definitions:

- CMHA: Cranbrook Minor Hockey Association
- Female player: a player that is registered under the Female Program in CMHA
- Female team: any team consisting of female players registered in CMHA
- Female Program: the collective grouping of policies, guidelines, players and volunteers dedicated specifically to the development of female hockey players.
- Integrated system: any team or program that is not part of the Female Program or is not a female team.
- Lobbying up – the movement of a player to a higher age division at the request of the player or player's parent.

Program Objective:

The female program in CMHA is focused on development. Priorities for the program are:

- Program development – ensure CMHA players play within CMHA and have appropriate options available. Ensure player and coach development are supported. CMHA, coaching staff and players will make development the focus of each female team.
- Team development – CMHA will ensure there is at least one female team in each category, where ever possible.
- Player development – Each CMHA female player will be assured of a spot on a female team, wherever possible. As part of player development, each competitive team will attend Provincial Championships to expose players to a high level of competition, unless permission to not attend is granted by the CMHA Board. Recreational teams will be encouraged to partake in female tournament play.
- Officiating development – even though officials have their own development program, it is important to promote, develop and support female officials at all levels. Wherever possible, qualified female officials should be utilized in female games.

Teams

CMHA will attempt to place one female team in each category each year. As each competitive female team will be carded, overage players are not allowed. Where more than one team exists in a category, one team will be designated as "competitive" (carded) and the other(s) will be designated as "recreational" (not carded).

CMHA will ensure each female team has an opportunity to play in an appropriate level of competition. This may change from year to year, but is guided by CMHA. For example, in the 2005/06 season, the Midget and Bantam teams are registered under the Central Alberta Hockey League. The Pee Wee team plays in the integrated league in the East Kootenay Minor

Hockey Association . It is the responsibility of CMHA to provide these opportunities. CMHA reps will develop these opportunities at their discretion to further the objectives of the Female Program. Any changes to these arrangements must be presented to and approved by CMHA. In accordance with CMHA Policies, there is no "lobbying up". The only time a female player will be allowed to play in a higher category is:

- as an affiliated player or,
- where approved by CMHA, movement up is necessary to avoid releasing a lower category player (as described in this document) or,
- where approved by CMHA, when movement of players is deemed necessary due to limited numbers in an age category (as described in this document).

To assist in supporting the development of female players from outside CMHA, female players not normally registered in CMHA will be allowed to register and participate in the CMHA Female Program. However, admission is at CMHA discretion and will in no way limit the development opportunity for a female normally registered in CMHA.

Carding

Each female team, or "competitive" female team where more than one team exists in a category, will be carded under Hockey Canada and CMHA rules and regulations. The number of female players carded will be maximized with players in the appropriate age category. This number will be determined by CMHA.

Where the number of female players in a category that is carded (as defined by Hockey Canada) is such that releases will be required, it is preferable that a female player be moved up a category to avoid releasing. In this respect, several moves may be necessary to ensure the number of female players in each category is maximized.

Conversely, where the number of players is not sufficient to ensure a female team in a category (minimum number TBD by CMHA), the preferred option will be to move players from the category with insufficient numbers up to the next level, and from that level up. It is not preferred to move players up from a lower category to the team with insufficient number, unless the preferred option cannot be utilized due to player numbers.

Where player movement cannot be utilized to ensure all players have a place to play, it may be more appropriate to implement one or more "recreational" teams made up of players who would benefit from or prefer recreational play.

Affiliated Players

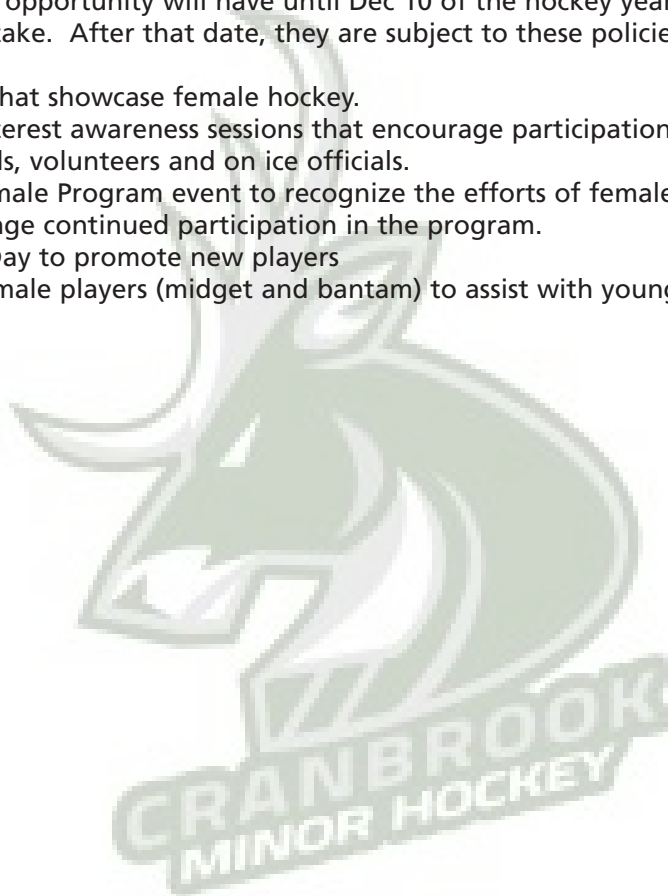

In accordance with the Program Objectives, female teams will affiliate with (in order):

- Female players in the same age category on recreational teams with preference given to those who have been released from a carded team or who show an interest in playing on a carded team,
 - Female players in the same age category playing in the integrated system,
 - Female players from the next lower category (first a competitive team, then a recreational team),
 - If there are no players in the integrated system in the same age category, then with players in the next lower age category playing in the integrated system,
 - If there are no players in the next lower age category, then, if allowed, with players from outside CMHA, in accordance with CMHA rules, regulations and policies.
- It is not a preferred option to use players from two categories below.

Promotion

CMHA will support various initiatives to promote the expansion of female registration in minor hockey. This may involve:

- Raising awareness of female hockey by promotion in local schools
- Encourage female players who participate in the integrated system to try playing on a female team. This is not intended to supersede the affiliation or carding process. Players who undertake this opportunity will have until Dec 10 of the hockey year to decide which route they wish to take. After that date, they are subject to these policies and procedures.
- Supporting events that showcase female hockey.
- Conduct general interest awareness sessions that encourage participation of new players, female team officials, volunteers and on ice officials.
- Hold a year end Female Program event to recognize the efforts of female program players and encourage continued participation in the program.
- Hold an ESSO Fun Day to promote new players
- Encourage older female players (midget and bantam) to assist with young female teams at practises
