

ZERO-TOLERANCE POLICY ON OFFICIAL ABUSE

Cranbrook Minor Hockey Association has a zero-tolerance policy for official abuse from coaches, parents, and players. This includes yelling, inappropriate comments and/or any other inappropriate behaviour, name calling, arguing, etc.

Our association supports our officials of all ages and levels, and does not condone inappropriate behaviour towards our officials. At a time when so many officials are quitting all over Canada, due to maltreatment, at all levels, our association is taking an active approach to support and protect all of our officials.

In the event that any team/coach/parent/players act inappropriately towards any of our officials, Cranbrook Minor Hockey Association reserves the right to remove your team, coaches, or parents for the remainder of the tournament or games. Games will be forfeited, without refund. You will be notified from a representative of Cranbrook Minor Hockey Association should this happen.

Please have a team coach and manager sign below and return to hosting team prior to game play.
