

## **ROLE OF THE VICE-PRESIDENT**

### **Overview:**

The CRRA Vice President plays a crucial role, primarily serving as the President's deputy and assuming their duties and powers when the President is absent, unable to act, or if designated by the President. If the President's position is vacant, the Vice President will fulfill those duties until the Board elects a new President. The Vice-President is also involved in overseeing team operations.

### **Role and Responsibilities:**

1. Shall perform the duties of the President in their absence or at their request and shall have all the powers and rights of the President.
2. Serve as the primary contact for inquiries related to rules and discipline.
3. Attend all board meetings and any additional meetings as directed by the President.
4. Work closely with the Director of Logistics to monitor all functions and activities of the CRRA
5. Stay informed about the membership and identify any issues or challenges.
6. Shall be responsible for maintenance of by-laws and policies and procedures of the Corporation
7. Will act as Liaison to Teams throughout the entire season where matters of policies and procedures to be followed are concerned.
8. Any other tasks that may be assigned by the Board
